

# Rice for a Crowd

## Ingredients

- 12 cups / 5 lb bag long grain rice
- 5 qts water
- 3 tbl kosher salt

## Instructions

- Preheat oven to 350 degrees
- Place 3 quarts uncooked rice in large roasting pan (lightly sprayed with cooking spray), spread evenly.
- In a large stock pot, combine water and salt. Bring to a rolling boil.
- Carefully pour boiling water over rice and stir so rice is even along the bottom.
- Immediately cover tightly with aluminum foil.
- Place roasting pan in oven and bake for 40 – 45 minutes.
- Fluff with a fork or large wooden spoon.
- NOTE: If you want to wait to serve, just keep in the oven at 150 degrees with a little water if necessary to keep rice from drying out.
